

2015 Annual Report Discussion

DOE HTAC Meeting

April 2016

Key Questions for 2015

- What is our target audience?
- Are we reaching this audience today?
- Can we reach this audience more effectively?
- Are there other valuable things we should be doing?
- 2014 report published in May/June, earlier than the previous year
- How can we continue to make the report effort better?

2015 Annual Report

- Document tone – esp. remaining challenges and conclusions
- Document length
- Treatment of “future expectations” for R&D and deployment
- Plans for Report finalization and release
- Distilled recommendations for letter to the Secretary
