

X Hydrogen Program Contacts

Steven G. Chalk, DOE Hydrogen Program Manager
Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: 202-586-3388
Email: Steve.Chalk@hq.doe.gov

C. Lowell Miller, Director
Office of Sequestration, Hydrogen and Clean Coal Fuels
DOE Office of Fossil Energy
Phone: 301-903-9453
Email: Lowell.Miller@hq.doe.gov

A. David Henderson, Program Manager, Nuclear Hydrogen Initiative
Office of Advanced Nuclear Research
DOE Office of Nuclear Energy, Science and Technology
Phone: 301-903-3097
Email: David.Henderson@nuclear.energy.gov

Harriet Kung, Director, Materials Sciences and Engineering Division
Office of Basic Energy Sciences
DOE Office of Science
Phone: 301-903-1330
Email: Harriet.Kung@science.doe.gov

JoAnn Milliken, Chief Engineer
Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-2480
Email: JoAnn.Milliken@ee.doe.gov

Fred Joseck, Technology Analyst
Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-7932
Email: Fred.Joseck@ee.doe.gov

Christopher Bordeaux, International Partnership for the Hydrogen Economy
Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-3070
Email: Christopher.Bordeaux@ee.doe.gov

Lindsay Roland, Policy/International Support
Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-6397
Email: Lindsay.Roland@hq.doe.gov

Hydrogen Production and Delivery

Pete Devlin, Team Leader

Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-4905
Email: Peter.Devlin@ee.doe.gov

Arlene Anderson, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-3818
Email: Arlene.Anderson@ee.doe.gov

Roxanne Danz, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-7260
Email: Roxanne.Danz@ee.doe.gov

Matt Kauffman, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-5824
Email: Matthew.Kauffman@ee.doe.gov

Mark Paster, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-2821
Email: Mark.Paster@ee.doe.gov

Hydrogen Storage

Sunita Satyapal, Team Leader

Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-2336
Email: Sunita.Satyapal@ee.doe.gov

Antonio Bouza, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-4563
Email: Antonio.Bouza@ee.doe.gov

Carole Read, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-3152
Email: Carole.Read@ee.doe.gov

Fuel Cells

Valri Lightner, Team Leader

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-0937

Email: Valri.Lightner@ee.doe.gov

Kathi Epping, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-7425

Email: Kathi.Epping@ee.doe.gov

Nancy Garland, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-5673

Email: Nancy.Garland@ee.doe.gov

Donna Ho, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-8000

Email: Donna.Ho@ee.doe.gov

Amy Manheim, Technology Development Manager

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-1507

Email: Amy.Manheim@ee.doe.gov

Technology Validation

Sig Gronich, Team Leader

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-1623

Email: Sigmund.Gronich@hq.doe.gov

John Garbak, Technology Development Manager (also Fuel Cell Team)

Office of Hydrogen, Fuel Cells and Infrastructure Technologies

DOE Office of Energy Efficiency and Renewable Energy

Phone: (202) 586-1723

Email: John.Garbak@ee.doe.gov

Safety, Codes & Standards

Patrick Davis, Team Leader
Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-8061
Email: Patrick.Davis@ee.doe.gov

Antonio Ruiz, Technology Development Manager
Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-0729
Email: Antonio.Ruiz@ee.doe.gov

Education

Christy Cooper, Team Leader
Office of Hydrogen, Fuel Cells and Infrastructure Technologies
DOE Office of Energy Efficiency and Renewable Energy
Phone: (202) 586-1885
Email: Christy.Cooper@ee.doe.gov
